PRESENTS

The background of the entire page is a scenic photograph of a traditional Japanese torii gate, painted in vibrant orange-red, standing in a calm body of water. The sky is a mix of soft pinks, oranges, and blues, suggesting a sunset or sunrise. In the distance, there are green, forested mountains. The water reflects the colors of the sky and the gate.

Travel in comfort and ease to off-the-beaten-path, destinations that larger vessels can't reach, allowing for a truly unique and intimate cultural experience. Discover unspoiled nature, primeval wilderness, incredible gardens, cultural treasures, medieval castles, shrines, temples, samurai heritage, sake, art, traditional villages, and futuristic cities, each with its own unique charm. **KRC Expeditions** fosters a unique family atmosphere on each voyage, as we explore and travel together as a community on our all-kosher Expedition Ship!

The Journey

Explore Japan, "the Land of the Rising Sun," with **KRC Expeditions**, pioneers of all-kosher, authentic small-ship

expedition cruising. Our Japan & South Korea Expedition is meticulously designed to showcase Japan's seamless blend of ancient customs and ultramodern living, culinary creativity, arts, and gardens. Cruise from iconic cities to remote coastlines and islands best explored by sea aboard our all-kosher expedition ship.

Historic highlights include the five-story Pagoda of Miyajima, the 17th Century Matsue Castle, Hiroshima Peace Memorial Park with its eternal Flame of Peace, Teramachi District's temples and shrines, including the famed "Ninja Temple," Jokamachi District's old Samurai houses, Hagi Castle ruins, the beautiful Zen Tokoji Temple, and Japan's iconic Shinto Shrine and Torii Gate. We'll explore Japan's traditional and contemporary sides, visiting galleries and meeting local artists for unique shopping opportunities. In South Korea's Ulsan, we'll explore UNESCO World Heritage Site Gyeongju – the "museum without walls" – and visit Haeinsa Temple, one of South Korea's three great temples.

Our expert guest speakers and Japanese guides will enhance your understanding and enjoyment of this captivating country. Adding to the Jewish experience, KRC Resident Historian & Lecturer Dr. Henry Abramson, culinary adventures with Naomi Nachman, and on-board Rabbi Stewart Weiss will lead meaningful Shabbat programming and Torah shiurim.

This perfect adventure is capped by our culinary team, led by Master Kosher Chef Malcolm Green, creating signature, sumptuous kosher buffets that our guests have enjoyed for over 25 years of cruising with us!

She was purpose-built for adventure and specifically designed for Polar exploration, setting a peerless standard in authentic expedition travel. Carrying just 120 expeditioners ensures a truly unique, spacious, stylish and comfortable voyage, while a fleet of 14 Zodiacs ensures that all guests can maximize their expedition adventure. **KRC Expeditions** and Heritage Adventurer proudly continues our traditions of exceptional, personalized expedition experiences as a floating Jewish community exploring together off-the-beaten-path.

The Heritage Adventurer stands out with its extensive and spacious public areas, including an Observation Deck and Lounge, Bar Lounge, Bistro, Dining Room, Gym, Sauna & Steam Rooms, Swimming Pool, Hot Tub, spa, clinic, and a full stadium-seating lecture hall for our **KRC** signature lecture and education programming.

LIFE ONBOARD: At **KRC Expeditions**, we focus on creating a community while exploring our planet. Instead of a mega ship with over 4,000 passengers and impersonal service, join us on an all-kosher, intimate expedition vessel. Here, a relaxing atmosphere, exceptional glatt-kosher cuisine, high-quality service, and attention to detail are the order of the day.

We foster a warm and convivial environment, akin to a private yacht or country hotel, where you can learn about the wonders of nature, culture, and ancient civilizations with like-minded people. Guest speakers and informative port briefings from our expedition leaders and cruise director enhance the experience, making any voyage aboard this wonderful vessel memorable and joyful. After a day ashore, return to the comfort and peace of an exceedingly comfortable ship.
